**KATHLEEN M. ROTZ**  
LUNG CANCER RESEARCH FUND

Dear 4th Annual 5K Runner/Walker,

As you likely already know, the 4th Annual Kathleen M. Rotz Lung Cancer Research Fund 5K Run/Walk at Tyler State Park is slated for **September 29, 2018**.

If you have already committed to participate—Thank You! If you are thinking about participating, we encourage you to do so. Those that have participated in our prior 5K events have thoroughly enjoyed themselves, while simultaneously supporting the effort to Finding The Cure.

We realize that there are individuals who have a great desire to participate, yet are unable to do so. If you know someone that fits this description, or perhaps you are this individual, we have a solution for you. For the 4th Annual event, we are once again rolling out the “**5K Athletic Sponsorship**”—a highly successful component to the overall fundraising for last year’s event. Every Runner/Walker has the opportunity to be sponsored by friends and/or associates who cannot make it to the event, but wish to support the fund by sponsoring a participant.

The following pages have been prepared to facilitate the process of making a “5K Athletic Sponsorship” donation. Please make as many copies as necessary.

As always, all proceeds of the Kathleen M. Rotz Lung Cancer Research Fund will be dedicated specifically to develop translational research initiatives for immunotherapy in the use of chimeric antigen receptors (CAR) T Cells to treat advanced stage lung cancer at the University of Pennsylvania’s Abramson Cancer Center.

Thank you for joining with us to “*believe*” the cure is within.

Sincerely,

The Rotz Family
